Creating Customizable Safe Spaces

At Bureau of Correctional Enterprises (BCE), our industries team is dedicated to creating practical and personal spaces that are healthier, safer, and keep up with the ever changing demands of the world we live in.

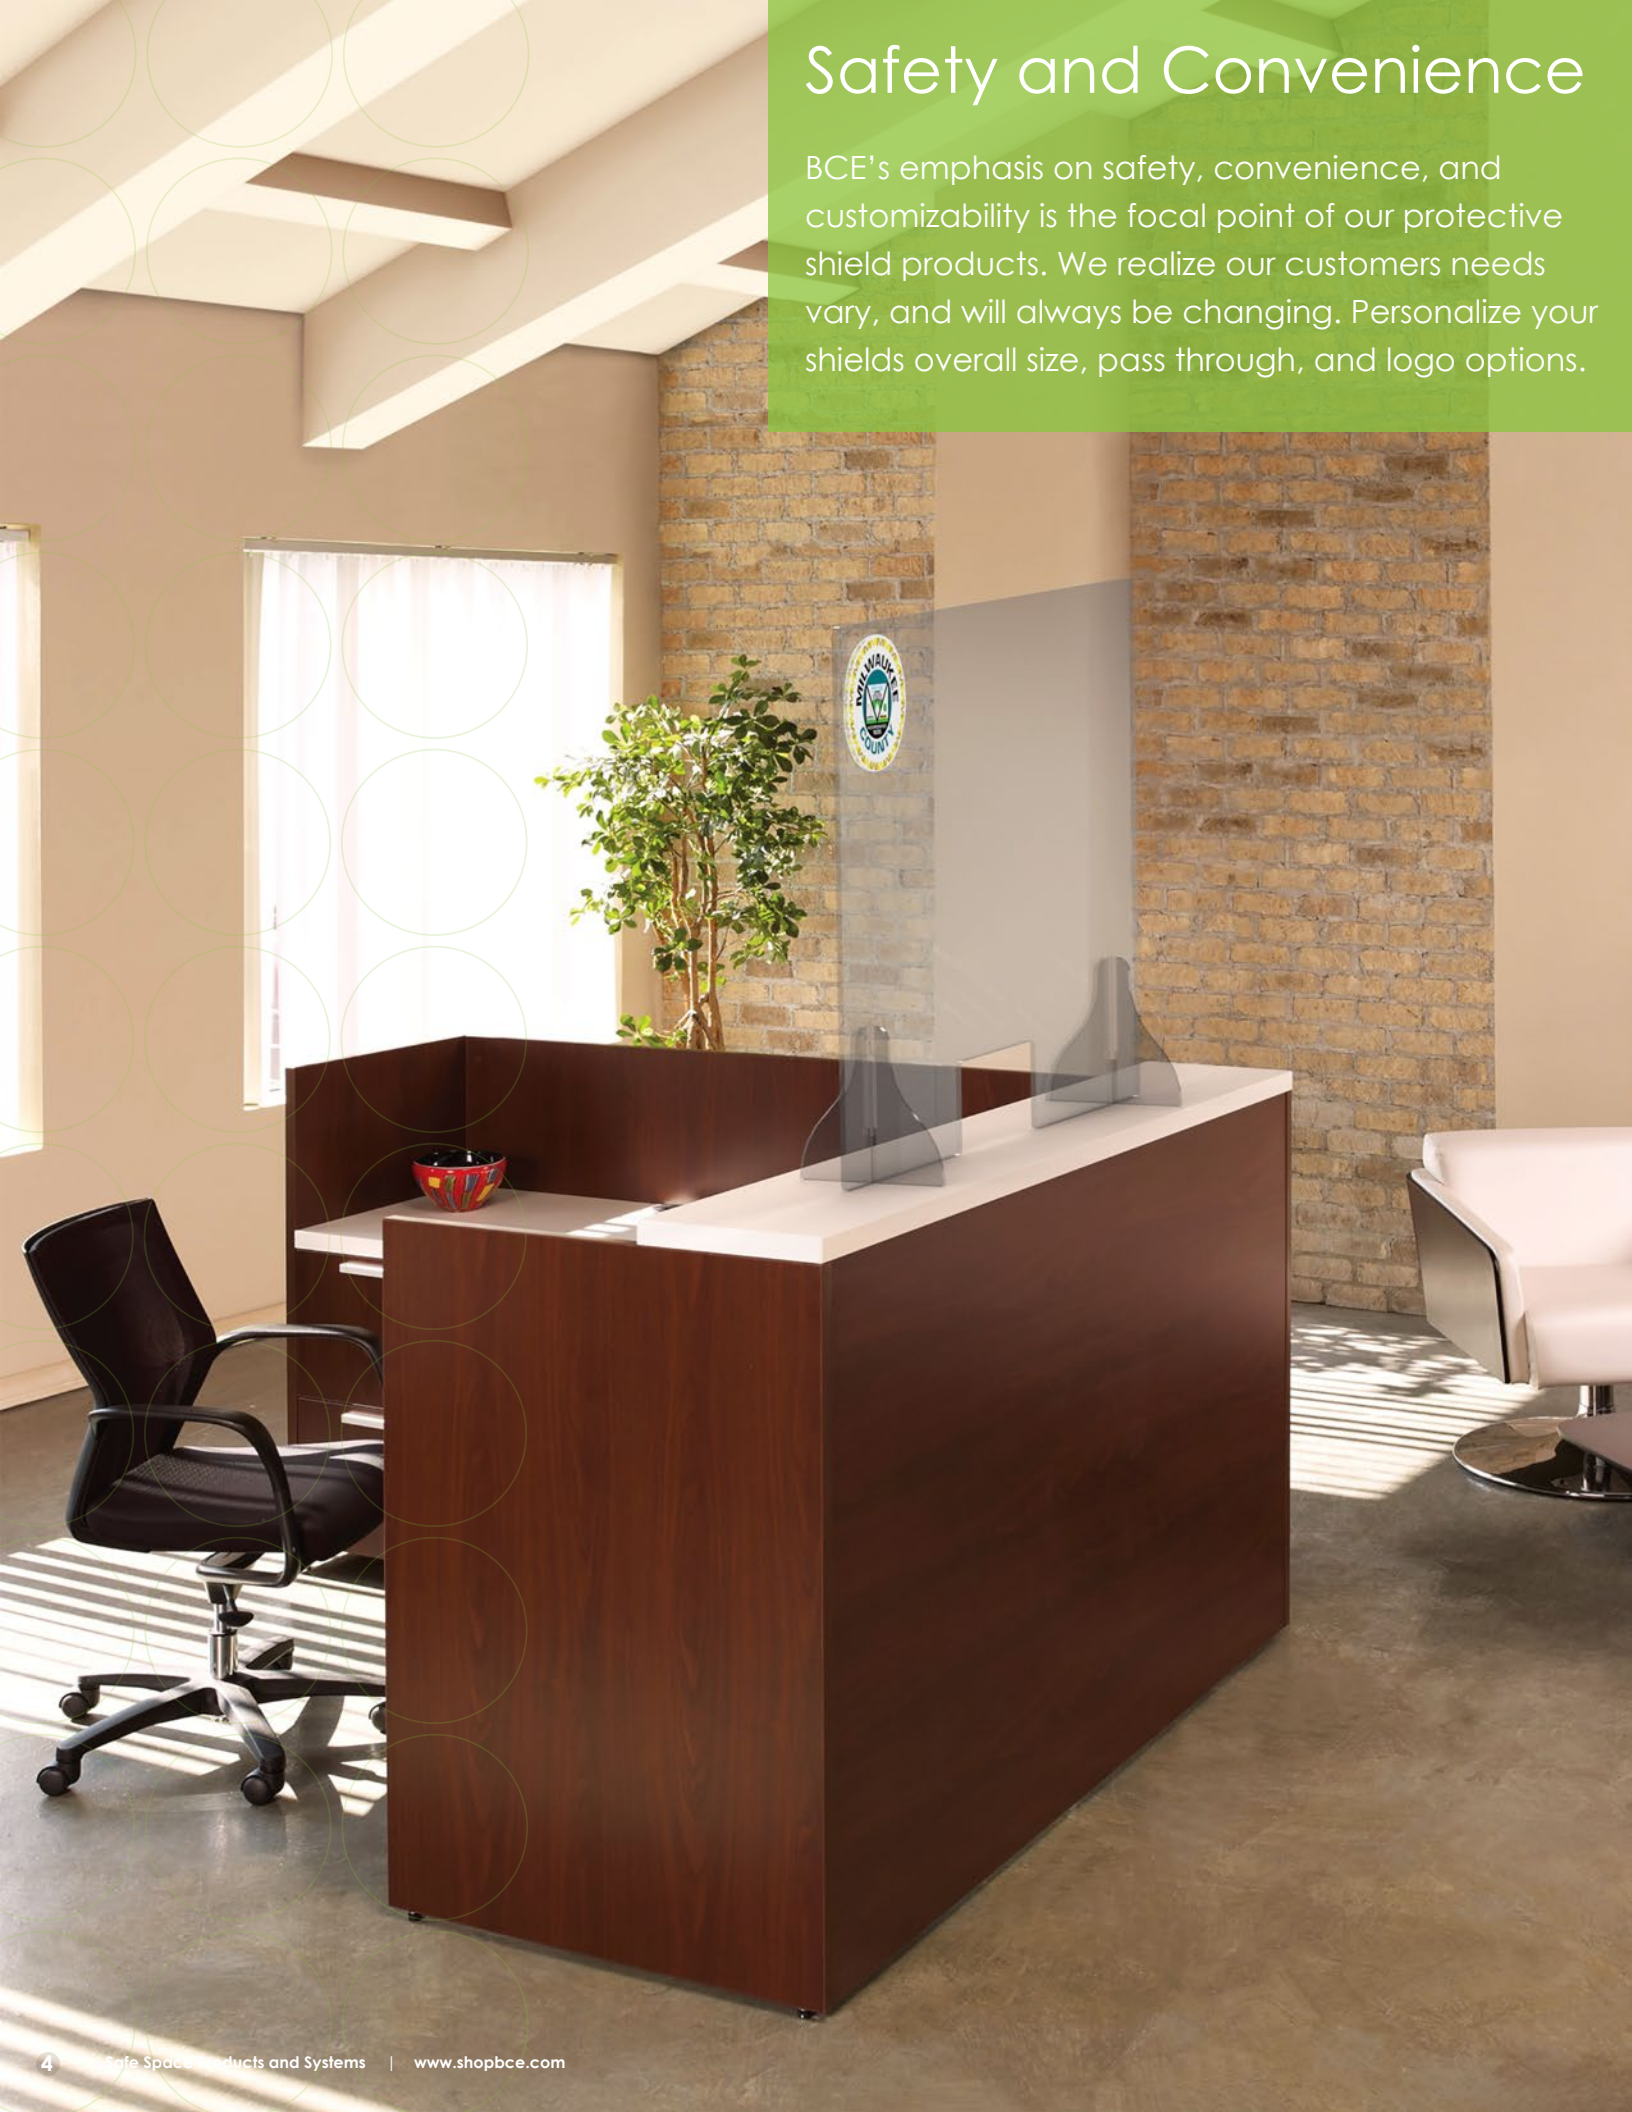

We are constantly trying to find new ways to offer our customers high-quality products that allow for flexibility. Creating both an informative, and customizable Safe Space for everyone. It is our goal for high standards that allows form fitted branding that blends our customers ideas, designs, and logos with our products.

Featured are some of the more popular items from our Safe Space collection that BCE offers for improvement of your overall environment. We want to allow our customers to create a Safe Space. Let our industries sales team at BCE bring you closer to that goal.

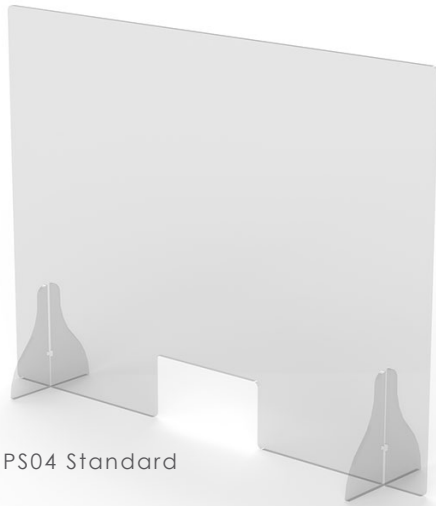

Safety and Convenience

BCE's emphasis on safety, convenience, and customizability is the focal point of our protective shield products. We realize our customers needs vary, and will always be changing. Personalize your shields overall size, pass through, and logo options.
